Rashford forces Government to U-turn on kids' summer meals

A "COVID summer school fund" is being set up by the Government to help feed children during the holidays, after a campaign by Manchester United star Marcus Rashford.

Children eligible for free school meals in term time in England will get a six-week voucher, Downing Street said yesterday.

Prime Minister Boris Johnson welcomed England ace Rashford's "contribution to the debate around poverty".

The forward, 22 (*above*), had called for a U-turn in plans not to offer meals during the holidays.

The support works out at about £15 a week per recipient, and will cost the taxpayer around £120million.

In an emotional open letter to MPs posted on Monday, Marcus drew on his own experience of relying on free school meals and food banks growing up.

Tributes to crash pilot

A US fighter pilot who died when his jet crashed into the North Sea off the north-east coast of England has been named by the US Air Force, as his heartbroken wife paid tribute to him.

First Lieutenant Kenneth Allen's F15C Eagle crashed at around 9.40am on Monday while on a routine training exercise.

Hannah Allen, who married the American airman known as 'Kage', in a civil ceremony in February this year, described him as "the love of my life".

CROCODILE SHOCK!

Mum's limbs pulled from reptile's guts

A MUM'S bitten-off limbs were cut from a croc's stomach shortly after it had eaten her.

The beast pounced on the 45-year-old woman, named only as Fatimah, while she was fishing in a river in North Kalimantan in Indonesia.

Shocked friends heard Fatimah's screams and watched in horror as the reptile clamped its huge jaws around her body and dragged her below the surface of the water.

The 19ft long "beast" was caught the next day after grieving residents hunted it down.

Gruesome footage shows locals cutting open the crocodile's stomach and removing her limbs.

Fatimah's severed head and other body parts were later found nearby, having been discarded by the killer croc.

A police spokesman said: "The police first shot the crocodile. Then, the stomach of the beast was cleaved, and pieces from the victim's body were found."

Eyewitnesses said Fatimah was attacked by the crocodile while she was releasing food into the water on Tibi Island in Bulungan Regency.

Maddie mum and dad deny 'death' letter

THE parents of missing Madeleine McCann have denied receiving a letter from German police suggesting their daughter is dead.

Kate and Gerry McCann posted a statement on the Find Madeleine website to say reports of the correspondence had caused "unnecessary anxiety to friends and family and once again disrupted our lives".

The statement read: "Since the recent police appeals regarding Madeleine's disappearance there have been many inaccurate stories reported in the media.

"The widely reported news that we have a received a letter from the German authorities that states there is evidence or proof that she is dead is false.

"If there are important developments that can be made public, they will be issued through official police channels."

Country BBQ fire warning

A SIGNIFICANT rise in people bringing barbecues to the countryside as UK lockdown eases is increasing the risk of wildfires after a dry spring, the National Trust has warned.

The trust has seen several large blazes on its land since the start of April, including one at Froward Point, Devon, on May 24 which was started by a barbecue and took SIX fire engines and a police helicopter to extinguish.

THE GOOD NEWS

GREGGS TO REOPEN!

BRITS rejoiced yesterday as high street bakers Greggs announced it plans to reopen around 800 stores to customers for takeaways from this Thursday.

The chain – beloved of scoff fans nationwide – aims to welcome sausage roll seekers to the remaining 1,000 sites by early July.

By COLIN HURST

news@sundaysport.co.uk

Bosses unveiled the new-look stores, with floor markings, protective clothes for staff and screens at counters among several measures to protect against coronavirus spreading.

There will also be a reduced menu to ensure social distancing in kitchens and workspaces.

Greggs warned sales are likely to remain subdued as the chain copes with fewer customers allowed in stores at any one time, following a series of small-scale trials.

As a result of the expected fall in sales, an unspecified proportion of staff "will remain furloughed until sales levels begin returning to normal", the company said.

Overcrowding

The Newcastle-based firm has taken a tentative approach to reopening, with management keen to avoid any rushes or overcrowding at sites following its three-month closure.

Greggs had been allowed to stay open throughout the lockdown, offering takeaway and delivery services.

But bosses declined, saying it felt remaining open would compromise the safety of its employees.

Updating the stock market yesterday morning, the firm added it remains cautious and warned sales may fall.

Longer term, the company added it has temporarily suspended its new shop opening plans, beyond those legally committed to, with just 10 new sites expected.

WORLD WAR THREE BEGINS!

AS if we haven't got enough to deal with, now two of the world's most touchy nuclear powers have gone toe-to-toe on their disputed border.

In a development that could provide the spark for WORLD WAR THREE, three Indian soldiers have been killed in a clash with Chinese forces in Ladakh in the contested Kashmir region.

The Indian army said senior military officials from both sides were "meeting to defuse the situation", adding that both sides suffered casualties.

China did not confirm any casualties but accused India of crossing the border and attacking its soldiers.

It's believed the Indian troops were bludgeoned to death by members of China's People's Liberation Army.

CLASHES: Three Indian soldiers have been killed

in Kashmir

A Chinese foreign ministry spokesman called on India not to take unilateral actions or "stir up trouble".

The spokesman, Zhao Lijian, was quoted as saying that India had crossed the border twice on Monday, "provoking and attacking Chinese personnel, resulting in serious physical confrontation between border forces on the two sides".

The clash comes amid rising tensions between the two countries – India has accused China of sending thousands of troops into Ladakh's Galwan valley and says China occupies 38,000 sq km of its territory.

Clashes were reported at a number of places last month.

Several rounds of talks in the last three decades have failed to resolve the boundary disputes.

The deaths reported yesterday are believed to be the first in decades in a confrontation between the two powers.

They have fought only one war so far, in 1962, when India suffered a humiliating defeat.

TWILIGHT KRISTEN SOAPY MINGE PHOTO LEAK OUTRAGE

FOAMY soapsuds dripping from delicious-looking pissflaps and a close-up view of a perfectly-round bottom...

That was the view in one photo that circulated on the internet at the weekend.

And – if one website is to be believed – that bottom and those pissflaps belong to Hollywood princess KRISTEN STEWART!

By BARNEY SAMUELS

It's the latest twist in a ghastly nude photo leak that's been rumbling on for SIX YEARS!

In the latest leak, a set of photos of a topless and naked woman – who bears a startling similarity to the *Twilight* star – appeared on a notorious website.

Violation

It is impossible to tell if the photos are of 30-year-old Kristen, or whether they are high-tech fakes or even a plausible lookalike.

A pal said: "I have no idea if these photos are genuine.

"But even if they are not, it's still a violation of Kristen's privacy.

"Yes, she has gone topless in movies. But to my knowledge, she's never made a movie in which she displays her labia, soapy or otherwise."

The private nude photo leak scandal – dubbed The Fappening – kicked off in 2014 when photos purporting to be of actress Jennifer Lawrence, singer Ariana Grande and model Kate Upton were uploaded to the internet.

Pennsylvania resident Ryan Collins was found guilty of being the perpetrator of 'The Fappening' and was jailed for 18 months.

‘Magnum PI’ perv pulled pud in wood

A MAN in a Magnum PI-style Hawaiian shirt who wanked himself off in the woods is being hunted by cops.

The incident, which is being investigated as an act outraging public decency, happened in a field behind allotments near a hospital.

Police confirmed a woman was walking alone in the woods, when she came across a man sitting on a bench.

He “dropped his shorts” and committed the indecent act, before the victim fled.

The man is described as white, of average height and stocky build, with grey hair.

He is believed to be in his late 50s or early 60s and was wearing a short-sleeved, bright blue shirt, which had a Hawaiian design.

A police spokesman in said: “We are investigating a report of a man committing an act outraging public decency in Plymouth.”

It is not believed that Magnum PI – aka actor Tom Selleck (*above*) – is in any way connected to the outrage.

Women shocked by naked sicko’s deer park antics

POLICE are investigating after a pervert exposed himself to women and young girls in a Royal park famed for its deer.

The man stripped naked in front of the passers-by and began touching himself inappropriately during the incident in Richmond Park, London.

The suspect, who is described as white, aged in his late 60s or 70s and wearing glasses, was reportedly seen in Ham Nature Reserve.

He was detained by park wardens and ordered to get dressed and leave before they were aware of the allegations against him, Scotland Yard said.

Det Const Chris Biddle, leading investigations, said: “This is a shocking incident that is likely to have caused considerable distress to a number of women and teenagers using the park.”

CALLS TO BAN COON CHEESE

Comic blasts ‘disrespectful’ dairy treat

COON cheese could disappear from the shelves of supermarkets.

Comedian Josh Thomas is leading calls for the popular product to be renamed because of its historical use as a racist slur.

The *Please Like Me* star shared a photo of the cheese – found in most supermarkets in Australia and across south east Asia – alongside the caption: “Are we still chill with this?”

Coon cheese, which is made by the Warrnambool Cheese and Dairy Company in Victoria, is named after its American creator Edward William

By PENNY HASSETT news@sundaysport.co.uk

Coon, who patented the unique ripening process behind the brand.

But Thomas argued it was out of touch to still honour its creator more than 85 years after his death while disrespecting those for whom the term is still an ethnic slur.

He tweeted: “It’s amazing the respect people have for the name of a man who invented a processing technique of cheese, who died in 1934, and the disrespect they have for black people.”

The word is pejorative when used as a reference to those with dark-coloured skin – including those of African-American or Aboriginal descent.

In another tweet, Thomas said changing the name to something more inclusive would communicate to Indigenous Australians that “we see them, understand their pain and respect them”.

Thomas’ followers were split on the subject, with some agreeing the name should be changed but others not.

“Regardless of the brand name’s history, times have well and truly changed,” one person wrote.

600,000 lose job but worst is yet to come

MORE than 600,000 UK workers have lost their jobs amid the coronavirus lockdown and benefit claims soared by a record 1.6 million, but experts warn the worst is yet to come for Britain's labour market.

The Office for National Statistics said early estimates showed the number of paid employees dropped by 2.1 per cent or 612,000 in May compared with March, while job vacancies also slumped to a record low.

Universal Credit claims by the jobless and those on low incomes jumped 23.3 per cent in May to 2.8million and have rocketed 125.9 per cent since March.

The grim data also showed the number of people temporarily away from work, including furloughed workers, rose by six million at the end of March into April, hitting 8.4million at the end of April.

Economists say the full effect on employment will not be felt until wage support schemes end in October.

Bug-related deaths fall to lockdown low

CORONAVIRUS-related deaths in England and Wales have fallen to their lowest number since lockdown was first implemented, the latest weekly data shows.

A total of 1,588 deaths registered in the week ending June 5 mentioned COVID-19, down from 1,822 in the previous seven-day period.

It is the lowest number since 539 virus-related deaths were registered in the week ending March 27, four days after Boris Johnson introduced strict lockdown measures in an effort to halt the spread.

The latest figures mean the percentage of deaths involving COVID-19 declined for the seventh week running.

People under 20 half as likely to get coronavirus

PEOPLE younger than 20 are around half as susceptible to COVID-19 as those aged 20 and older, research suggests.

The modelling study also estimates that clinical symptoms appear in 21 per cent of infections among 10 to 19-year-olds, rising to 69 per cent in adults over 70.

Researchers say understanding the role of age in the transmission and disease severity of COVID-19 determines the impact of social distancing measures as well as estimating the global number of cases.

The London School of Hygiene and Tropical Medicine study was based on data from six countries.

I'M A SEXUAL PERSON...I COULDN'T LIVE WITHOUT SEX

Babe backs legal challenge to COVID bonking ban

FIT AS A FIDDLE: Monica

A STUNNING fitness fan who has been regularly breaking lockdown for sex admits: "I feel zero shame or regret."

Monica Holmes, 34, has met her businessman lover twice a week for sex at their separate homes in North Yorkshire during UK lockdown.

CAMPAIGN: Relationship expert Louise Van Der Velde

By SUZIE SHELDON
news@sundaysport.co.uk

And she is backing a new campaign to create 'sex bubbles' so all couples can enjoy passion without breaking the law.

The divorcee is aware that their nights of passion were in breach of the rules which were recently relaxed to allow couples who do not live under the same roof to spend the night together.

And she wants a further relaxation of the rules to allow all people outside of high risk groups to be able to sleep with whoever they like.

Carer Monica, who lives near her lover in Harrogate, said: "I have been having sex throughout lockdown.

Release

"I'm a very sexual person and I couldn't live without sex. I really need the physical release for my mental wellbeing. It's a brilliant stress reliever and, given everything which is going on in the world, we need it more than ever.

"It's so ridiculous to think anyone could be arrested or fined for following our basic human instincts and needs. Just try and arrest me!

"I started seeing a guy four months ago, just before lockdown started. We both decided right after the new rules came in that we would still see one another and we meet twice a week for sex, either at his place or mine.

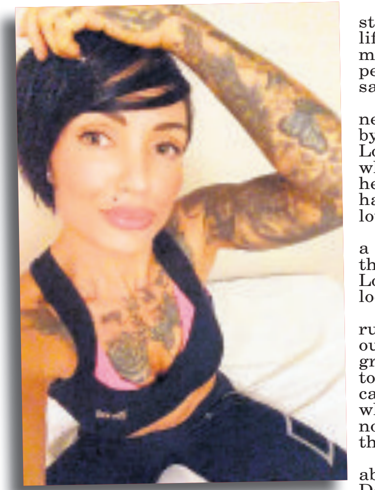
"I don't care what my neighbours think, they don't know me so they can't judge or bad mouth me.

"While there will be some people who say what I'm doing is wrong, there's also a lot of people who agree with me and are doing the same.

"It's inhumane to tell people they can't have sex. We are not naughty school children and the more you forbid something, the more people will want to do it.

"Because I'm a key worker I can get tested anytime. I did a test a few weeks ago and it was negative.

"But I am not worried about getting COVID-19 as I'm so healthy I don't think it would even affect me. I work out at the gym a lot and look after myself. This is why I'm so sexually active – healthy people have much more sex than people who don't look after themselves.



"Lockdown is nonsense. How can people from different households not date or have sex, yet tens of thousands of people can gather for a mass protest in London?

"It just doesn't add up.

"No-one is going to stop me living my life and enjoying myself and other people should do the same."

Monica is backing a new campaign started by relationship expert Louise Van Der Velde, who runs free classes helping couples to have more fulfilled love lives.

Louise is launching a legal challenge in the High Court in London against the lockdown.

She wants new rules allowing people outside of high risk groups to have access to sex bubbles so they can have sex with whoever they like – not just one person in their bubble.

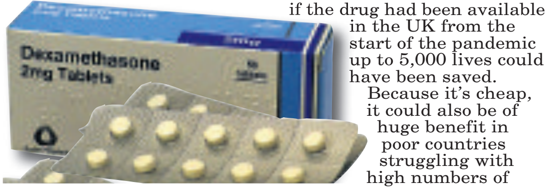
OXFORD BOFFINS FIND COVID 'WONDER DRUG'

A WIDELY available cheap drug called dexamethasone can help save the lives of patients who are seriously ill with coronavirus.

British experts say the low-dose steroid treatment is a major breakthrough in the fight against COVID-19.



It cut the risk of death by a third for patients on ventilators and for those on oxygen, it cut deaths by 20%.

The drug is part of the world's biggest trial testing existing treatments to see if they also work for coronavirus.

Researchers estimate that if the drug had been available in the UK from the start of the pandemic up to 5,000 lives could have been saved.

Because it's cheap, it could also be of huge benefit in poor countries struggling with high numbers of COVID-19 patients.

About 19 out of 20 patients who get coronavirus get better without coming to hospital, and of those who are admitted to hospital, most also get better, but some may need oxygen or mechanical ventilation.

These are the high risk patients that dexamethasone appears to help. The drug is already used to reduce inflammation in a range of other conditions, and appears to help stop some of the damage that can happen when the body's immune system goes into overdrive as it tries to fight off coronavirus.

The body's over-reaction is called a 'cytokine storm' and it can be deadly.

In the trial, lead by a team from Oxford University, around 2,000 hospital patients were given dexamethasone and were compared with nearly 4,000 who did not get the drug.

For patients on ventilators it cut death risk from 40% to 28%. For patients needing oxygen it cut death risk from 25% to 20%.

Chief investigator Prof Peter Horby said: "This is the only drug so far that has been shown to reduce mortality and it reduces it significantly. It's a major breakthrough."

Paul: Being a sex symbol isn't Normal

NORMAL People star Paul Mescal says he's "uncomfortable" being a sex symbol.

Insisting he's nothing like his TV character Connell, the actor – who starred alongside Daisy Edgar-Jones in the BBC adaptation of Sally Rooney's novel – said it was fun that fans found him sexy at the beginning, but things have become a little "weird" now.

Paul, 24 (*above*), said: "To be honest, it's uncomfortable. I'm not trying to be full of faux humility but it's a weird thing when people are very quickly attracted to a character you play.

"And I think that's the thing I'm focusing on. I'm not Connell, I'm totally different to him.

"I think maybe what's sexy about Connell is, he's classic back-footed, aloof, smart. I'm not back-footed or aloof.

"It was kind of fun at the start.

"This is for the record – if anybody ever dates me, I am not Connell, and nor do I want to be him."

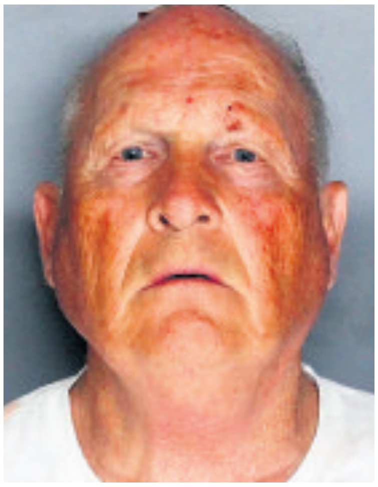
GOLDEN STATE KILLER ADMITS: 'I AM GUILTY'

Rape monster butchered 13

By BRAD CHADWICK
news@sundaysport.co.uk



SPARED DEATH PENALTY: Joseph DeAngelo

A MAN accused of being the serial killer and rapist who terrorised California residents in the 1970s and 80s has agreed to plead guilty to dozens of crimes in return for being spared the death penalty.

Joseph DeAngelo, an ex-cop accused of being the Golden State Killer, is expected to plead guilty on June 29 and will be sentenced in August to life without the possibility of parole.

Ron Harrington, whose brother Keith and new sister-in-law, Patti, were beaten to death in their Orange Co home in August 1980, said: "We are so totally supportive of the death penalty and yet we are totally supportive of this decision to let the Golden State Killer plead to life without possibility of parole.

DeAngelo, 74, appeared frail at his last court appearance in March.

The crimes started more than four decades ago and involved dozens of victims across 11 California counties over more than a decade.

Masked

He was identified when investigators secretly collected DNA two years ago that they say proves he is the one who broke into couples' suburban homes at night.

The armed and masked rapist would tie up the male and pile dishes on his back, threatening to kill both victims if he heard the plates fall while he assaulted the female.

California Governor Gavin Newsom has halted executions so long as he is governor, though the death penalty remains legal there.

A day-long hearing is expected – just to read all the charges against DeAngelo – which will be held in a venue larger than any courtroom, to keep the dozens of victims and spectators at a safe distance during the COVID-19 pandemic.

DeAngelo is suspected of at least 13 murders and more than 50 rapes across California.

Sentencing may well span several days in mid-August as each survivor or family member will have a chance to confront DeAngelo in person, by video or writing.

Youth too busy for shagging!

MILLENNIALS are too busy going on marches and joining "Twitterstorms" to have SEX, new research has found.

Published in the medical journal *JAMA Network Open*, researchers from San Diego State University and the Karolinska Institutet in Sweden surveyed the sex lives of 10,000 adults between 2000 and 2018.

The chief finding was that sexual inactivity increased among men aged 18-24 and 25-34, and women aged 25-34 over the 18-year period.

Jean Twenge, from the department of psychology at San Diego State University, said: "There are now more choices of things to do than there once were, and fewer opportunities to initiate sex if both partners are engrossed in social media, gaming, or watching TV."

Call to put up statues of Britney

STATUES of BRITNEY SPEARS should replace controversial monuments to leaders of the Confederate states, campaigners in the U.S say.

A petition has been launched in Louisiana seeking to dump the state's slave era monuments with those honouring "an actual Louisiana hero and influential human being".

The petition, which is addressed to the Governor and other lawmakers, reads: "Before becoming one of the world's most influential pop legends, Britney Spears was living life in a small southern town by the name of Kentwood, Louisiana.

"Now it's time for her home state to honour her with the tribute that she deserves."

The Confederate states left the U.S. in 1860 and set up their own country dedicated to preserving slavery. It sparked the Civil War.

GUN-BAN THUG SHOOTS HIMSELF IN COCK

…then tries to blame innocent tramp

BANGED UP: Davis

A MAN who shot himself in the penis and then falsely accused a tramp of the assault has been sentenced to almost six years in jail.

Marcus Anthony Davis Jr, 35, was handed the prison term after pleading guilty to being a felon in possession of a firearm.

He had been convicted of prior crimes and was on probation for a drug offence at the time of the shooting in Portland, Oregon, in January.

Assistant US Attorney Lewis Burkhart said: "He paid a significant price with his physical injuries – and the sentence he's now going to receive.

"I don't think anything the court or the government can say can top the injuries he gave to himself to stop him from possessing firearms.

"Hopefully this is the last time we will see Mr. Davis."

Davis claimed he was robbed and shot by a white homeless man at a bus stop.

Investigators found no evidence of a shooting or robbery at the location.

The .40-calibre handgun that injured him was found in his girlfriend's car, hidden in Davis's bloody clothes.

In addition, a gunshot hole was also found in a pair of his sweatpants.

The weapon was reported stolen back in 2018.

Davis, who prosecutors allege was a member of a street gang, pledged to take stock of his life during a video court hearing.

"Mr. Davis has taken stock of his future," Assistant Federal Defender Francesca Freccero told the judge. "He resolved his new charges very quickly."

Speaking on Louis Theroux's Grounded podcast last week, she said: "I was going home late after an appearance in the Edinburgh Festival and I heard a rustling.

"I looked up and there I saw this young man in a soldier's uniform wanking in a tree.

"I was flummoxed for a minute and then I thought 'My God, he's going to get into trouble'.

"I said 'Get down here, get down'.

"So he came down and I said 'What's the matter with you? You can't do that'.

"I said 'Now look, I will help you out with this one, but you need to go home after and remember you are a soldier and you'll get into trouble'.

"So, I just wanked him off manually and off he went."

She added: "He was a British soldier and was in the Edinburgh Tattoo."

BUM'S the word for heavenly Holly Gibbons...

Hottie Holly says the best way to indulge in kinky ANAL SEX is to take things nice and slow and build up with lots of foreplay.

The Brighton-born babe, 29, says regular sex is the perfect start and the ideal build-up to saucy bum fun.

Holly, who boasts a 32E pair of norks, said: "It's best to start off having vaginal sex first.

"I like reverse cowgirl, because it totally works by hitting the right spot to help me climax.

"I think it's really good for blokes, too – mainly because it's a bit like doggy for them, but they can lie down.

"It's lazy man's sex and they get a delightful view of their girl's bottom, too."

Holly is a big fan of foreplay before easing into anal sex.

She said: "Foreplay is so important – kissing and stroking my breasts and also rubbing my clit.

"Then I like the man to tell me what he's going to do next – starting with putting a finger in my bum, and then another.

"The most important thing is to start slowly and slide it in a little at a time.

"The trick is just to take everything very, very slowly with anal sex."

30-STONE GIRL PERV CHOKES TO DEATH ON A BURGER

PULLED TEEN LAD'S PUD: Desirae Denton

By BRAD CHADWICK
news@sundaysport.co.uk

A 30-STONE gutbucket jailed for wanking off a teen lad choked to death on a burger in her cell.

Jail medical staff were doing the rounds when they found Desirae Denton unresponsive in her cell around 5.30pm.

Denton – who tips the scales at a shade under 30 stones – was alone in her cell on the 13th floor of the Oklahoma County Detention Center in Oklahoma City.

Lewd

She was pronounced dead by medical staff.

The Oklahoma Medical Examiner's Office will officially determine the cause of the death, but sources say she may have choked to death on a burger.

Denton, 35, had been at the Oklahoma County Detention Center since April 23.

She was waiting to be transported to the Oklahoma Department of Corrections after being sentenced for a charge of indecent lewd acts with a child under 16.

She was found guilty of "lewd indecency" with the lad after wanking him off during a drinking session at her home.

A prison source said: "Hell, I know that when you're a teenager you're horny enough to put your pecker in a hickory stump, but there ain't no way I would have let this lady anywhere near my privates for fears she may have eaten it all up.

"We only done give her a burger on account of all the hollering she was making about being hungry.

"Well, she ain't be molesting any more youngsters, ain't that for sure."

It was the detention centre's second death this year.

Tramp gets bed for parole break

A HOMELESS sex offender deliberately violated his parole conditions so he'd be locked up and have a roof over his head.

Thomas DeGennaro, 51, turned up at a police station and said he wanted to go to jail.

He had originally been convicted of sexual battery in January 2012 and is required to re-register twice a year and report any change of address within 48 hours.

When cops at Marion County Sheriff's Office in Florida checked their records, they discovered DeGennaro had not been reporting changes of address, or reported the fact he was homeless.

He was nicked for violating the conditions of his release will appear in court on July 14.

FORD BRING BACK OJ GETAWAY SUV

FORD is bringing back the SUV infamously used as a getaway car by O. J. Simpson – on the disgraced football star's 73rd birthday.

The car manufacturer will unveil the 2021 Ford Bronco on July 9, and a Ford rep said the launch date was "purely coincidental" but the company has no plans to change it.

The spokesman added: "We're going to reveal Bronco just like we said we would on July 9.

A staggering 95million people watched live on June 12, 1994, as cops trailed Simpson's white 1993 Bronco down Interstate 405 in Los Angeles.

After an 11-month trial, Simpson was acquitted of the murders of his ex-wide Nicole Brown Simpson and her friend Ron Goldman.

A civil trial later found him responsible for their deaths.

Ford discontinued the original Bronco in 1996, after a 30-year run.

Lockdown sees animal baby boom

HUMANS may not be enjoying lockdown but animals seem to be.

A zoo is experiencing an unprecedented baby boom, from baboons to peacocks.

Fifteen babies were born in the two months that Qalqilya Zoo shut its doors to visitors – three times more than usual.

Zoo vet Sami Khader said: "The coronavirus spread at the same time that trips were expected at the zoo. They were cancelled and therefore the animals started to give birth."

One ostrich had the proper time to incubate her 11 eggs "because there weren't people around her, she was able to build a nest", he added.

The vet is working overtime at the zoo in Palestine because one baboon who gave birth wasn't interested in her baby.

His daughter Hind Khader said: "My father had to bring him to our house.

"I took care of him and gave him milk."

'COVID cure' holy man dies from the bug

A HOLY man who offered "COVID exorcisms" by kissing people's hands has died of the contagion – after first infecting at least 20 others.

Aslam Baba told followers in Ratlam, India, that his "kiss-cure" would make all their ailments disappear – even the deadly coronavirus.

The Baba – a common term for a wise elder – tested positive for the bug on June 3 and later died.

Officials tested at least 40 people who had been in contact with him.

A health department spokesman said 20 of them, including seven of the man's family, have tested positive, with more results still to come in.

Officials found at least 29 other holy men offering similar so-called cures and forced them all into quarantine.

A sha the he

FOR some inmates, prison is a chance for redemption, to right the wrongs of past actions and seek forgiveness.

But not for Enoch Hall.

He sits on Death Row for the brutal sex attack and murder of female corrections officer Donna Fitzgerald, whom he lured with cold-blooded precision to her demise...

MONSTERS OF DEATH ROW

THE WORLD'S MOST EVIL MURDERERS AND THE HORRIFIC CRIMES THAT SAW THEM SENTENCED TO EXECUTION...

DONNA Fitzgerald, 50, was never supposed to be anywhere near Enoch Hall on that fateful June night in 2008.

A cruel twist of fate saw her swap shifts with a colleague.

But it was that act of generosity that ultimately cost her life.

At the time, prisoners at Florida's Tomoka Correctional Institution were part of a rehabilitation programme called PRIDE – Prison Rehabilitative Industries and Diversified Enterprises – where they were put to work refurbishing vehicles.

By KOURTNEY KENNEDY
news@sundaysport.co.uk

Welding

In this case, the inmates were busy finishing two fire engines, welding metal and constructing parts.

On June 28, 2008, security officer Michael Filbert told Donna he had a family emergency and asked if she would be so kind as to cover his shift later that evening.

Donna happily agreed. Being nice was just her nature.

Institutional policy required that the prison and PRIDE needed to have at least two employees in attendance at any time inmates were working.

Usually, this wasn't an issue in the day, but during extended night shifts, the organisers often let the rule slide.

The night Donna died was one of these nights. Because of a lax attitude to the safety policy, Donna was left on her own with 13 prisoners.

One of those was Enoch Hall, a violent sex offender serving two life sentences for kidnap and rape.

At the end of the shift, Donna counted the lags as they clocked off and began the process of returning them to their cells.

It was then that she realised one of them was missing – Hall.

Donna bravely said she'd go and look for him. She finally located him in a welding shed next to the plant.

But when she tried to grab him by the arm, he lashed out at her with a homemade prison shank – a shard of machined steel with a razor-sharp edge.

Donna was stabbed 22 times and throttled to death.

As Hall himself later confessed: "I freaked out. I snapped. I killed her. I don't know why."

Donna's lifeless body was found slumped over a cart in a storage room in the shed area. Her trousers and underwear were rolled down to her ankles.

And, while there was no evidence Donna had been raped, a judge surmised that Hall was about to commit that deed as she lay dying, but he was interrupted by prison officers who went in search of their colleague.

An investigation into the PRIDE programme found that on the night Donna was murdered, eight of the 13 inmates she was looking after were serving life sentences.

Sexual

Most of them had been convicted of serious crimes including murder, rape and sexual assault.

Her slaying was an accident just waiting to happen.

On October 23, 2009, Hall was convicted of premeditated murder.

He was already serving two life sentences. What difference would one more make to his life?

Which is why, in the eyes of Hall's family, a jury made the correct decision in handing Hall a sentence of death, sending a message to any other inmates who still harbour murderous intentions.

Donna's brother, Donald Shaure, called for Hall to be executed as quickly as possible.

At the time of the sentencing, he said: "Immediate death. Immediate.

"If it could be at noon today, I'd be thrilled. I'd be ecstatic."

Sadly for Donald, his wishes haven't been granted – Hall, now 51, has had appeals against his death penalty turned down but looks no nearer to receiving a lethal injection.

So what happened to Hall to turn him into such a cold-blooded killer?

His dad James Hall testified that his son hadn't been born bad. He'd been a good brother to his two younger siblings and had been relatively successful in high school, earning various medals for athletics.

But following a minor dispute with the mother of his girlfriend, he'd been tossed into jail by the woman's boyfriend – who just happened to be a cop.

And while in jail, Hall says he was raped.

CONVICTED: Hall was already serving two life sentences when he murdered Donna Fitzgerald

FATED: Donna was only working the night she was murdered to help out a colleague

Upon his release, he changed overnight.

He started living in a shelter in the woods and began showing outward signs of very dangerous aggression.

He was sentenced to life in Escambia County in 1993 for kidnapping, beating and raping a 66-year-old woman.

Unleashed

He'd been productively employed in prison since that initial incarceration, keeping his nose clean until 2008 – when he unleashed hell.

Court documents reveal exactly what happened.

They state: "Hall was an inmate who worked as a welder in the PRIDE compound, where inmates refurbished vehicles.

"Sergeant Suzanne Webster was working as the control room supervisor, where she was responsible for getting a count from all areas of the prison as to the number of inmates in each place.

"When Webster hadn't heard from Donna Fitzgerald in the PRIDE compound, she radioed Officer Chad Weber, who went to the PRIDE facility with Sgt Bruce MacNeil to search.

"When Weber saw Enoch Hall run through an open door at the other end of one of the PRIDE buildings, he and MacNeil pursued him.

"Weber caught up to Hall, who repeatedly stated, 'I freaked out. I snapped. I killed her'."

With the anguished cries of "Officer down! Officer down!" from her colleagues, Donna's bleeding body was quickly discovered.

Legal files reveal: "Fitzgerald's body was found face down on top of a cart in the paint room.

"The upper part of her body was wrapped in grey wool blankets. The bottom half came over the back of the cart, her pants and underwear pulled down to her knees.

"Hall's bloody T-shirt was inside a bucket of water that was on the floor next to Fitzgerald's legs, while a broom found nearby had Fitzgerald's blood on it.

"Blood was also found on the walls of the welding shed and on a cap. Hall's clothes, including his underwear, tested positive for Fitzgerald's blood.

Semen

"A sexual assault analysis was performed on Fitzgerald's body. Jillian White, a crime lab analyst, testified that there was no evidence of semen on the body."

The jury also heard how those who worked in the PRIDE facility had made a number of "shanks" – deadly homemade prison weapons.

The shanks that came from PRIDE "differed from the usual ones made by inmates in that they had a machined edge made by a grinder".

The State played the three confessions Hall made on the night of the murder.

He claimed he had been attempting to find a stash of illicit pain-killing medication when Donna had gone looking for him.

The legal documents state that: "Officer Fitzgerald came in and laughed and called Hall, by his nickname, saying, 'Possum, come on, get out of there'.

"Hall told her to get out. Fitzgerald grabbed Hall's arm and he 'freaked out' and began to stab her with a sharp piece of metal that he found on the floor of the room.

"Hall stated that he didn't remember pulling Fitzgerald's pants down.

"He repeatedly stated that he didn't want to have sex with her, he just wanted to get high."

Dr Predrag Bulic, the county associate medical examiner, detailed the harrowing injuries Donna sustained in the frenzied assault.

He testified: "Her body bore evidence of blunt force injuries, mostly on her face, consistent with those caused by punches from a hand.

"Fitzgerald's hands and arms had sustained defensive wounds caused by a sharp instrument consistent with a knife. There were 15 additional stab wounds, including on her stomach, back and chest.

"A gold chain necklace on Fitzgerald's body had been pulled tightly around her mouth and neck from behind in a manner so as to exert sufficient force to leave a postmortem mark consistent with ligation."

Agonising

It's likely Donna was gasping for breath as the metal shank pierced her lungs, causing them to fill with blood.

The wound that punctured her heart led to her death – but it would have taken five agonising minutes for her life to end.

After Hall was moved to Death Row, assistant state attorney R. J. Larizza said: "Enoch Hall and people like him are the reason why we have the death penalty in the first case.

"In this instance, the death penalty was the only remedy."

NAKED BMX PRO BLASTED HOUSE WITH A SHOTGUN

X GAMES MEDALS: BMX rider Guettler and *(below)* after his arrest

By COLIN HURST news@sundaysport.co.uk

A PROFESSIONAL BMX rider barricaded himself in a garage after blasting a house with a shotgun while naked.

The residents of the home were evacuated to safety while SWAT and negotiators attempted to get Ryan Guettler to surrender.

A police spokesman in Wilmington, North Carolina, said: "Officers responded to a home after receiving a report of a naked man shooting a shotgun outside the residence.

"When the officers arrived at the scene, the man ran into the home's garage and refused to come out."

Terror

Guettler eventually emerged from the garage and was taken to New Hanover Regional Medical Center for an assessment.

No injuries were reported.

Guettler, 36, has been charged with discharging a firearm into an occupied dwelling, breaking and/or entering, going armed to terror of people, simple assault, and a local bylaw violation banning shooting up houses.

Aussie-born Guettler won bronze medals in both the 2004 and 2005 X Games.

Shooting up houses while naked is not one of the events.

A police source said: "When we live in a world where a grown man can earn himself a living riding a child's pedal cycle, then are we surprised when folks go crazier than a bat-fox in the cotton dust season? Hmm?"

GORGEOUS Abigail Day reckons she's always being mistaken for reality TV babe Kim Kardashian.

But while she might share the Yank star's stunning looks, she doesn't have a great big booty.

Abigail, from Ipswich, said: "It's weird, but I'm always being mistaken for Kim K – which is a huge compliment.

"I really love her and I never miss her shows on the telly, but while I like looking like her I wouldn't want to have a great big bum like hers!"

The 32D cracker added: "My arse is curvy, but nowhere near as big as Kim's and I wouldn't have implants down there either.

"I like to keep mine in shape with lots of squats and lunges down at the gym – well, I did before lockdown!"

JUSTIN DUNN'S ROOM 101

WHAT'S ANNOYING HIM THIS WEEK?

SOPPY pricks defacing a statue of Winston Churchill proves that education in this country is largely a failure.

Teachers… instead of insisting that your every utterance should involve the Cultural Marxism with which you are fatally imbued, how about trying a different tactic?

It's called teaching. You know, history and stuff.

It's not that exciting, far-left indoctrination you dream of, admittedly… but it'd be a start.

Happiness is being at home

THE shops are open again. The office is open again.

You can fill up your tank, your shopping trolley, your gut.

Even though you could anyway.

Give it a week or two, if you say your prayers and polish your shoes, and you might even be able to sink a pint or two.

But it is all too late.

The "new normal" has already settled in.

Truth is, we quite like working from home.

And we quite like ordering our shopping online.

We really do like NOT having to answer the door when the Amazon bloke pops round – because now he just takes a photo of that oversized parcel of dreams, instead of us having to sign for it.

We're not interested in walking any more. No thanks.

We've already spent three months wandering aimlessly to nowhere for no reason other than the telly told us we can.

We've had enough of getting half-way down the village and then realising we're not stopping off at the pub on the way back.

Our main concerns now are why on the earth the BBC is still allowed to broadcast what it loosely describes as "news", now that we've had months to study its actual output.

Or to wonder why Nicola Sturgeon, who represents precisely zero people in the overwhelmingly largest nation of the United Kingdom, is still somehow never off the telly.

We've also seen that the fabled and much-mocked Magic Money Tree does, in fact, exist.

And watched people trousering taxpayers' cash while they go to the beach to get pissed – and complain about other people going to the beach.

We've seen homeless people finally given somewhere to live, almost overnight, after years of being told we just couldn't do that.

Riot

Lockdown life really has been illuminating, if only because we might just have realised that we don't have to worry about each and every single thing, every single day.

True, it's drawn out a few drama queens, as we've seen in the occasional riot, but the usual suspects always get a bit excited when the sun comes out.

Mostly, we've been a model of restraint – if you can put aside the idea of morons stuffing hotdog rolls down their undies while rampaging for loo roll.

If you're happy and you know it, and you really want them to know it, do your best for you and yours and stay at home.

IT'S ALL KICKING OFF AT EMMA'S TONIGHT

IT seems like forever, doesn't it?

But football is finally back tonight.

After a three-month shutdown, top-flight games in England kick off again this evening – and *Sport* babe Emma K can't wait!

Aston Villa vs Sheffield United and Manchester City vs Arsenal are the first two games, with a full round of matches taking place on June 19-21.

And although Emma's beloved Derby County are not playing tonight, she'll be glued to the Villa v Sheffield United game.

The 32E cracker said: "It feels like things are finally getting back to normal when there's football on the telly."

Bug buggers BBC's schedule for next year

THE pandemic's effect on schedules will be starker next year, BBC bosses have said.

James Purnell, director of radio and education, said the corporation is working to get filming off the ground again.

He told the Digital, Culture, Media and Sport Committee: "Yes, we are going to have to have some repeats. The main thing driving that is it's very hard to film right now. On the television side we have had to cancel quite a significant proportion of the dramas and comedy we were planning to film over the summer.

"We're working very hard to get television production back up and running as soon as possible.

"With radio that's a bit easier", he added.

Of coverage to mark Glastonbury, which has been axed this summer, Purnell said: "It will be repeats, but it will be an incredible archive.

"The same with the Proms. It may not be the Proms we have been used to but the Proms we need right now and the Proms we can do."

Asked if viewers would "see endless repeats", Clare Sumner, the BBC's director of policy, told MPs: "I really hope not but … the schedule is going to be mixed."

Diego, 100, retires from breeding!

A RANDY tortoise who saved his threatened species from extinction, has officially retired.

Diego (*above*) was shipped out from the Galapagos national park's breeding program on Santa Cruz Island to the remote and uninhabited Espanola.

Ecuador's environment minister Paulo Proano Andrade tweeted: "We are closing an important chapter in the management of the park," adding that 25 tortoises – along with the prolific Diego – were returning home after decades of breeding in captivity and "saving their species from extinction".

Espanola welcomed them "with open arms," Andrade said.

Before the 100-year-old tortoise ventured by boat to Espanola, he and the other reptiles had to undergo a quarantine period to avoid them carrying seeds from plants that are not native to the island.

Diego leaves the island with around 800 descendants.

Poisonous toads pose new threat

AS is the year 2020 hasn't been bad enough – now there's a plague of poisonous TOADS!

Cane toads, which breed after long periods of rain, are invading backyards in huge numbers across South Florida, according to state wildlife officials.

The warty amphibian, also called the bufo toad, produces a white toxic substance on its back when provoked.

And experts say the milky secretion would kill cats, dogs or even TODDLERS.

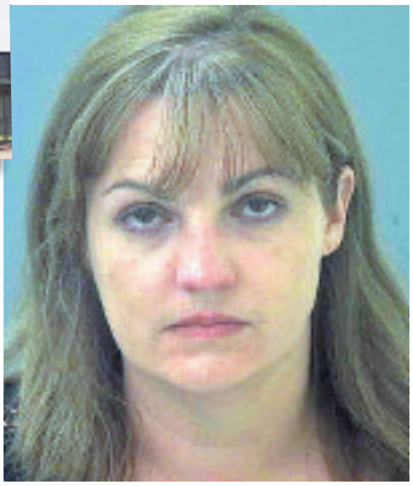
Jeannine Tilford, owner of pest control firm Toad Busters, said: "We had a lot last year. We're seeing even more this year."

Symptoms of toad poisoning include excessive drooling and extremely red gums, head-shaking, crying, loss of coordination and convulsions.

Floridians have been urged to kill the toads.

RANDY MISS SHAGGED TEEN IN CLASSROOM

SEX ASSAULT CHARGE: Rodriguez quit job at school *(above)*



A TEACHER has been arrested after she had sex with one of her students at school – in a CLASSROOM!

The teen lad said he slid his hard penis up Meghan Rodriguez as he feared the foamy-fannied miss would fail him and make him resit the year if he didn't.

Rodriguez, 37, has been charged with sexual assault. She was booked into the Santa Rosa County Jail in Florida.

Rodriguez quit her job with Santa Rosa County School District on May 28, according to Connie Carnley, the school district's assistant superintendent for human resources.

By GRACE HOOPER
news@sundaysport.co.uk

Carnley said: "It was under investigation and she chose to leave our employment."

Tip

According to the arrest report, the Santa Rosa County Sheriff's Office received an anonymous tip on March 3 that Rodriguez had sex with one of her 17-year-old students last summer.

When interviewed, the student said frequent "platonic" text message conversations with the teacher had turned sexual.

He and Rodriguez had sex at Navarre High School in the summer of 2019.

The student said that after attending a "summer practice", he met with Rodriguez in her classroom to go over something and the two had sex.

"(The student) insisted that this only occurred once and he regretted it afterwards," according to the arrest report.

The student's mother told cops that her son broke the news of the investigation to her and her husband by telling them that he needed to speak to them about something on March 3.

He told his parents that Rodriguez initiated the sexual encounter.

He also said he was worried that "she would fail him".

The Navarre High School principal said Rodriguez had admitted to him that she had kissed the student but had denied having sex with the teenager.

Bedtime Chloe's bust the job!

CHLOE Ayling gave the rest of us a delightful present to mark her birthday at the weekend.

The *Celebrity Big Brother* babe celebrated turning 23 by stripping off for a sizzling topless display on Instagram.

And we got ACRES of side teat!

Chloe posed topless in the shot, lying down on her front on her bed, with the white duvet pulled all the way down her back.

Because of Instagram's no nudity rules, Chloe placed her ample asset in such a way that meant no nipple was on show.

One fan drooled: "I could stroke her side tit all day long."

THE WORLD FAMOUS AGONY Page

Dear Sam,

EVER since this white van pulled up outside our works, not only am I getting the best bacon sandwiches, but my sausage is getting well and truly cooked.

The woman who runs the van is not really a looker but she's as horny as hell. I get my fill in the morning and then every afternoon tea break she gets her fill.

She serves through a hatch in the side of the van but she lets me in through the back doors when no-one's about and we get down to business.

She never wears panties so is always wet and ready for me to slide into her, and I have to say it doesn't usually take too long for me to finish since she bucks like a frantic mule.

I don't think I'm the only one among the lads porking her but she makes me feel very special when she sucks my cock.

It's been great but now she says she's moving away because she's not getting enough takings. What can I do?

LW, Merseyside

Sam says…

TRY to organise a whip round to persuade her to stay.

Dear Sam,

MY mate caught me having it off with his mum last week. She's 42, blonde, with a cracking body. I'm 18.

My pal had come home early from college when he saw me with my dick up her arse and my fingers in her fanny. He went mental and we had a fight.

It was pretty inconclusive but of course the mum was pretty upset about it all, and I don't think she'll be up for another shagging session anytime soon.

I tried to explain to my pal that if his dad had been doing his duty properly it wouldn't have happened but that only seemed to make him more angry and he threw me out.

The only trouble is that he owes me £500 after he bought my car last month. I've since asked for the money but he just tells me to f**k off. What should I do?

RG, email

Sam says…

I THINK you've had your money's worth, don't you?

Stockings beauty gives me moving experience

Dear Sam,

I WORK for an estate agent taking snaps of properties for ads and brochures. It's not very exciting but it means I get to meet women who tick my boxes.

Recently I was sent to an upmarket apartment, where I was greeted by a stylish woman in her early 50s – about 20 years older than me.

When we sat down in the lounge I caught a glimpse of her stocking tops. It sent my cock rigid and I asked to go to the bathroom to cool down.

Once inside, I found a pair of black stockings and I sniffed them before rubbing one against my cock.

At that moment the client burst in. Far from being outraged, she took my todger in her mouth to give me the blowjob of a lifetime.

Then I shagged her from behind with just her hold-up stockings on.

Now she's decided not to move and wants me to move in with her.

What do you think?

WA, Lincs

Sam says…

IT might take some of the fun out of the sex, but give it a go.

AGONY IS BROUGHT TO YOU IN ASSOCIATION

I prefer girlfriend's mum over our threesome fun

Dear Sam,

I HAVE been going out with a right stunna for the past couple of months.

At 23 she is two years older than me and is very much more experienced sexually.

Last month she invited me to her home to meet her mother, a widow of 42.

And what a great looker she is – she could have passed for my girl's sister.

She greeted me in a low-cut top and a short tight skirt, and I immediately started to get a stiffy.

As the mum ushered me inside she deliberately brushed her hand against my groin.

We all settled down with some drinks and made small talk for about half an hour or so.

I felt very uncomfortable as I couldn't get rid of my erection.

And every time I looked at the mum she parted her legs to reveal black lacy stocking tops and began winking at me.

But then, to my relief, she said she was going out.

As soon as the front door shut I jumped on my girl and she pulled down her jeans and ripped off her panties.

Without any foreplay, I rammed my throbbing eight-incher into her sopping quim. My girl loves to be taken roughly and she gasped in ecstasy as we writhed on the settee.

Just as I was about to come I heard the lounge door opening.

I looked up to see the mum standing there wearing just a see-through negligee. I could see everything – her weighty boobs, shaven minge, the lot.

Moist

Without a word she pushed her daughter to one side and flipped me on my back.

Too shocked to resist, I felt her guiding my dick between her moist love-lips and soon she was riding me like a bucking bronco. I thought my girl would be furious, but it seems she often shares fellas with her mum.

And that night I took a ride into the wonderful, mysterious pleasures of threesome fun.

The events seem like a blur now, but I do remember certain scenarios.

One saw me lie on my back while my girl rode my throbbing cock and her mum sat on my face and demanded I lick her out.

They both squealed with delight as they orgasmed – her mum's juices leaking all over me as she writhed.

Soon after, I hoisted the mother up onto one of the kitchen cabinets and porked her aching hole as her daughter took both of my balls in her mouth and sucked them gently.

It's fair to say it was the best sexual experience of my life!

Now we have regular threesomes, but I actually prefer the mum. What to do?

You've helped me to have best shag ever

Dear Sam,

I RECENTLY bought the *Midweek Sport* for the first time on the way to work. The boob-packed pages cheered me up on a rainy Wednesday morning.

When I got to the office I was the only one in apart from one of the PAs, a fit redhead in her 20s.

Everyone else had gone on a staff training day. There wasn't a lot to do, so I settled down with my paper.

The PA came and sat next to me and started to read with me. She was wearing a short skirt and lowcut top which showed off her fantastic tits.

I was soon erect and did my best to hide my bulge. But she not only saw it, she complimented me on it.

She placed her hand on my thigh before sliding it slowly towards my rigid dick, rubbing it before undoing my flies and yanking out my throbbing eight-incher.

Expertly, she began sliding her fingers along my shaft and a shudder ran through my body. But she didn't stop there. She leaned over and wrapped her lips over the glistening tip and started sucking.

She was an absolute expert at giving head and had my dick twitching as she sucked me off and squeezed my balls.

Then she got up, slid down her skirt and knickers and sat astride me on the chair. With an experienced hand, she guided my love-sausage into its moist target.

I wasted little time and was soon boning her vigorously while squeezing her lovely boobs. After a few minutes I spunked what felt like gallons of man-milk.

It was the best day at work I have ever had and now we are seeing each other regularly outside the office.

I can't believe my luck – and it's all thanks to you.

KC, south London

Sam says…

GLAD we could help!

Dear Sam,

MY husband and I have an exciting sex life and he likes me to dress in leather and tie him up from time to time.

I was chatting to my neighbour over a coffee one day when I happened to mention my husband's fetish. We had a good chuckle and thought no more about it.

However, a few days later, I spotted her in the street wearing a leather mini-skirt.

I was a bit suspicious because she's told me in the past she finds my husband attractive.

One evening while my hubby was out I spotted her sneaking into her house with some chains and leather straps. She's shagging him, I thought.

I waited for about 20 minutes and then let myself in.

I could hear muffled sounds coming from the bedroom and it seemed obvious to me what was going on so I burst into the room.

But what a fool I felt. There was my pal dressed in her leather gear with her own husband, starkers with a massive hard-on, neatly trussed up on the bed.

I haven't been able to face them since. What can I do?

HS, Lancs

Sam says…

TAKE them out for a drink. I'm sure you'll all have a good laugh about it – and maybe swap notes.

'It felt feral and messy – which is what the best sex is all about!'

...WITH LUCY JONES, 26 34DD-25-35 FROM LINCOLN

I HAVE been fantasising a lot lately about having food sex.

I did it once with an ex once and I recently remembered how much fun it was!

What was great about my experience was it just kind of happened spontaneously.

Me and my then fella were in the kitchen eating cheese fondue and we were being all cute and feeding it to each other.

The cheese clumsily dripped off my lower lip and he took me by surpise by licking it up – I instantly felt turned on!

Licking

Then I was licking and sucking it off *his* lips.

The clothes came off and for a giggle we moved on to whipped cream, right there on the kitchen table.

I sprayed some on the side of his neck and then licked it off.

Then I repeated this on his chest, his navel and finally, on his cock which was very hard by then.

He did the same to me – licking it off my neck, boobs, belly button and eventually after a long tease, my clit.

The anticipation of it all drove me wild!

It felt a bit feral and it was totally messy... which is what some of the best sex is all about, right?!

GLAMOUR scorcher Angela Bruckner might look like an angel – but she's a horny little devil in the bedroom!

The 27-year-old beauty, from Leicester, said stockings are her essential item during a steamy sex session.

Angela, a 34C blonde, said: "I always wear matching underwear and stockings when I know I'm going to get lucky with a hunky guy.

"But when I strip off, I leave my stockings on. There's just something so kinky about wearing them during a sweaty, intimate session.

"Blokes love catching a glimpse of them mid-bonk and the way they feel so soft and sheer on my legs."

IT'S finally time to say goodbye to the creepy Crawleys of Downton Abbey and hello to the horny hotties of buxom Bottomley Manor!

For all you red-blooded fellas who love your porn but are bored to tears by dull *Downton Abbey* this is your lucky day.

Released last week, the UK's most highly anticipated adult movie is available exclusively through the *Sport's* adult partner *Private Shops* and, for a limited time they're offering readers another **£5 OFF** the already low, low price.

Down On Abby is a big budget, full length adult masterpiece starring porn legend Ben Dover and a cast of the hottest adult stars around. It will transport you to Bottomley Manor, home to the Lord Grabhem (played by Ben Dover), his wife (and 2014 AVN nominee) Jasmine Jae, and their two young promiscuous step-daughters, Abby and Fanny.

The Grabhems have invited the Stiffies to dinner and their staff, led by butler Smallc*** and footman Master Bates, hurriedly prepare to receive their honoured guests.

But during preparations some members of staff have their own ideas of how to make the night go with a bang! As dinner approaches it seems everyone's got more than fancy nosh on their minds. Mind you, there is plenty of noshing as well as lots of other filth that will even cause a crease in Carson's keks.

We see plenty of R18 DVDs at the Sport but this one is really something special and one you MUST not miss!

This future classic stars Ava Dalush as Missy, Cathy Heaven as Lucy, Emma Leigh as Betty, Jasmine Jae as Lady Wanda Grabhem, Jasmine James as Fanny Grabhem, Jess West as Lady Stiffie, Lexi Lowe as Abby Grabhem, Ben Dover as Lord Will Grabhem, Big Bad Dave as Smithers and Clarke Kent as Master Bates.

SHOW ME THE HONEY!

SOPHIE STAR

ESSEX beauty Sophie Star would stop any bloke in their tracks – and for traffic warden Tim Atkinson, there's no girl quite like her.

The 27-year-old, from Mersea Island, was picked out by Tim, 34, from Croydon and he says her 32Cs are the best pair he's ever seen.

Tim said: "Sophie's rack is top notch and I'd love a new snap of her to add to my collection – I keep all of her pictures!

"Could you dig out a shot of her in all her glory and print it for me please? She's the best looking girl I've ever seen."

NICOLE SNOW

FARMER Geoff Kingsley requested an X-rated photo of Nicole Snow – so we've dug out this tantalising snap.

Geoff, 52, from Peterborough, wanted to see 24-year-old Nicole completely starkers and, although we can't do that, we reckon we've got pretty close.

Leeds-born babe Nicole stripped to her stockings for this raunchy shoot that exposed her 32DD mammaries.

Geoff said: "*Midweek Sport* will never let me down. I know you'll do me proud with a hot photo of Nicole. Thanks!"

BRITNEY

GLAMOUR girl Britney has been anatomically blessed with a fine pair and Tom Linton begged us for an ogle at 'em.

Tom, 28, from Liverpool, is an IT analyst and his job means he's away from home a lot – but he keeps a stash of 25-year-old Cardiff stunna Britney's 38D topless snaps on hand in case he gets horny.

He said: "Liverpool girls are some of the best but when I'm away it can get lonely so I always stock up on snaps of Britney.

"I take a stash of her pictures with me when I work away but I could do with a fresh one to add to my pile!"

#HOT'N'HORNY

BOSSY sexpot Nina Leigh says that she can't wait to find a bloke strong enough to dominate her in the bedroom.

But at the moment no-one really measures up!

The 25-year-old model, from Kingston in Surrey, admitted she loves nothing more than a fella taking control, but that she's yet to find a bloke who can handle her, sexually.

Busty 34E Nina said: "Having a man dominating me would be a massive turn-on.

"One strong enough to boss me around and tell me what to do during sex would be even better.

"I've yet to find a man strong enough to do it, though."

Anyone ready to take up the challenge, lads?

FRESH START: Lampard

Lamps all lit up by break from Premier League

FRANK Lampard says the break from football for the past three months has done him the world of good.

The Chelsea boss believes getting away from the pressure of the Premier League has recharged the batteries and made him realise the sport isn't a matter of life and death.

But now he wants to push on and make sure the Bridge boys keep their precious place in the Champions League qualifying spots.

Lamps said: "As managers and players you can become so consumed in your job. What lockdown did make me realise is that trying to step away from the football bubble now and again is a good thing.

"I say that now — maybe ask my wife in six months if that is right or if I am still absolutely consumed with football. She will probably give you that answer!"

ON HIS WAY: Werner

It's going to be a busy time for Chelsea as they battle in Europe as well as the Premier League.

Lampard was busy during lockdown and is on the verge of signing Timo Werner from Red Bull Salzburg for £53m.

The 24-year-old striker could even be eligible to play for the Blues in the Champions League this season.

That's going to be scrapped in its usual form and played as a mini-tournament over a couple of weeks, probably in Lisbon during August.

Chelsea are trailing Bayern Munich 3-0 from the first leg of their last-16 match and the second clash with the Germans would likely be as part of that tournament — although Chelsea may have something to say about losing their home advantage.

CAUTION: Nagelsmann

Having Werner available could cushion that blow slightly.

A decision will be made by UEFA who are meeting this week to thrash out issues around player contracts.

Usually deals are up in June because that's when the season ends — but not in this incredible year.

Whatever happens, Werner is not allowed to play for Chelsea in the Premier League for the rest of this season.

And Leipzig boss Julian Nagelsmann is trying to keep him.

He said: "The transfer is not fixed, you have to emphasise that. I'm aware that one or another highly talented player will leave us.

"It's up to us, then, to find new players who can follow in such big footsteps."

FOOTY'S BACK – AND MOANING HAS ALREADY STARTED!

NOT HAPPY: Villa gaffer Dean Smith

DEAN: NEW LAW SUB-STANDARD

Villa boss not happy with five changes move

By PAUL THOMAS

ASTON VILLA chief Dean Smith is delighted to be playing in the first Premier League after the restart.

But he's not happy about the law changes that have come in.

In particular, he's got a beef with being allowed to have FIVE substitutes during matches now.

Villa get the ball rolling after three months without English football in tonight's clash with Sheffield United that is vital at both ends of the table.

The Brummies are fighting for survival, while the Blades still have a chance of getting into a Champions League place on their return to the top flight.

Smith said: "I wasn't for it. I just believe we started the season with certain rules and now we have changed it. I suppose it helps the clubs with the bigger squads.

"There was talk to change it because there is more risk of injury but having more subs doesn't help that. I just wanted it to stay as it was. I think Sheffield United were the same.

"Having five subs gives us the chance to rotate the squad during the game. It is like being away in a World Cup camp and playing a mini-tournament."

Despite his misgivings, Smith is delighted to be one of the first two teams back on the pitch.

There is likely to be a huge telly audience for the 6pm kick-off as footy-starved fans tune in.

Itching

The Villa boss added: "It is an honour, the eyes of the world will be on us.

"The players during the lockdown have been very compliant with all the work that was sent them. They are itching to get back.

"The biggest problem was having no timelines to work from, so finally getting the fixtures was great to get an itinerary planned.

"We are people who want to plan ahead and it's difficult to do that with no timeline."

Sheffield United boss Chris Wilder is also raring to go.

He said: "Everyone is available for the match, as you'd expect.

"We've tried to give them a little bit of everything and it's a shorter period coming back than, say, a pre-season.

"But the players have had a responsibility to keep themselves right and that's what they've done.

"Of course, though, we'll only really know when we get back out there and the ball starts rolling again."

KEY MAN: Villa's Jack Grealish

Season to come back on a draw

THE Premier League returns to our screens this evening with Villa "entertaining" Sheffield United behind closed doors.

Villa lost their last five games before the season was suspended but they played well at Wembley and in Jack Grealish – seven goals and six assists – they have, arguably, one of the players of the season.

United are unbeaten since January and confidence was high before the break although they had to thank keeper Dean Henderson for their narrow 1-0 home win with Norwich and were held 1-1 by Brighton in their penultimate league game.

The Blades deserve to be favourites, but they are too short at a best-priced 13/10 with Unibet and with John McGinn available for the hosts – but unlikely to start – I believe Dean Smith's side will get something from the game.

Villa are 49/20 with Unibet with the draw 12/5 at bet365 and the latter is the tip.

Man City entertain Arsenal in the late game and it would surprise me if City did not beat the Gunners.

Arsenal are unbeaten in their last eight, but City are the superior side and will have been smarting for three months after their 2-0 defeat at Old Trafford – their third at the hands of United this season.

City will have Aymeric Laporte back and also have Leroy Sane for the first time since the Community Shield in August.

I expect a slow start as sides come to terms with conditions and the tip is draw halftime and City fulltime which is priced at 18/5.

Tips, News and Betting Offers

★ Day 2 of Royal Ascot begins with the inaugural running of the Silver Hunt Cup a consolation race for horses balloted out of the Hunt Cup which is the fifth race on today's card.

Top-weight SIR BUSKER (1.15) will be tough to keep out of the frame.

The ew selection - 12/1 with bet365 – has been penalised 4lbs for scoring at Newcastle earlier in the month and that success made it two out of three over a mile for William Knight's four-year-old who is another drawn high in stall 18. Champion jockey Oisin Murphy takes over in the saddle and I expect him to be finishing strongly even over this stiff mile.

In the Hampton Court Stakes I am convinced there is more to come from RUSSIAN EMPEROR (1.50) and First Receiver with preference for the Irish raider who really ought to have won the Derrinstown Stud Derby Trial at Leopardstown.

Win O'Clock did us a favour at Haydock last week but TO NATHANIEL (2.25) gets the each way vote at 10/1 with Boylesports who are paying five places.

The selection carries a 4lb penalty for scoring at Kempton five days ago but, as a son of Nathanial, should appreciate this stiffer test on rain-softened ground for his turf debut.

Had Lord North not been drawn out widest of all in stall seven I would have been quite keen on his chances in the Gp 1 Prince Of Wales's Stakes, but this is the race of the meeting and a case can be made for all seven runners.

My two against the field in the Hunt Cup are Lord Tennyson – drawn in stall 14 – and FOX PREMIER (3.35) with marginal preference for the latter who makes his seasonal reappearance back at a mile having been campaigned over further as a three-year-old. The selection will want an end-to-end gallop at this trip, but he is drawn next to the stands' rail and I hope the gaps appear for Silvestre De Sousa. The selection is 14/1 across the board at the time of writing.

In the concluding Copper Horse Handicap, I was disappointed to see Fujaira Prince get a poor draw in stall 16 for this 1m 6f contest which is new to the Royal Ascot calendar.

The first right-hand bend comes soon after the start over this trip and he is likely to have to travel very wide or use a lot of energy of he wants to get into a good early position.

I am convinced there is a big race in Alright Sunshine although he has been raised 4lbs for finishing fourth in a good listed contest at Newcastle earlier in the month.

He is often held up right out the back, however, and he will need luck in running and a decent pace for him to pick up the pieces.

COLLIDE (4.40) travelled powerfully and quickly put his race to bed over today's trip at Chelmsford last time and I hope Ryan Moore can get Hugo Palmer's top-weight into the box seat from stall two. The selection must give weight to all his 15 rivals, but he is unexposed at this trip and at 11/2 five places with William Hill I would be disappointed if he did not run a big race.

EXCITED: Redknapp

REDKNAPP: REDS DON'T CARE WHERE THEY WIN IT

By ANDY MILLOM

LIVERPOOL don't care where they win the Premier League says former Anfield star Jamie Redknapp.

If City get turned over by Arsenal tonight, the Reds could wrap up their first top-flight crown in 30 years with victory in the Merseyside derby at Goodison Park on Sunday.

Should Pep's lads pick up a point, then Liverpool have a big chance to secure glory by toppling Crystal Palace at Anfield next Wednesday night.

Redknapp played more than 300 games for the Reds and would love to see the Premier League sewn up on the other side of Stanley Park.

He said: "Of course it would be special to win the title at Goodison, it really would, but right now I just don't think they care where they get it.

"A lot has got to go right; obviously Arsenal have got to go and win at Man City for that to happen.

"To go to Goodison and win it would obviously be amazing, but whether it's there, or at home against Crystal Palace the following week."

Redknapp thinks Liverpool fans won't be too upset about delaying their celebrations given what's been going on over the past couple of months.

He added: "Not too long ago we were still wondering whether the season would be curtailed or would they end up actually winning the league or not.

"So, right now, they just want to make sure they win it and win it as quickly as possible.

"To now have Liverpool as a Premier League winner is quite incredible, so it's very exciting.

"I signed for Liverpool 30 years ago just after the last time they won the league, so I blame myself that they've had to wait all this time!!"

PUMPED: Henderson

Kop captain Jordan Henderson is determined to get the job done quickly.

He is keeping his team-mates on their toes. Hendo said: "We are still very focused and very determined.

"Although we're in a very good position, I still feel that we have got to perform at a high level and finish the season off well.

"We need to be prepared. We need to be raring to go and not get caught cold coming out of the blocks."

STILL FIGHTING: Pep Guardiola

PEP Guardiola says his Manchester City side will be fighting for every point as they chase runaway leaders Liverpool.

By JOHN ANTHONY

The Blues play their game in hand against Arsenal hoping to close the gap to 22 points.

The Spaniard said: "The players have come back really well and I have no complaints with them.

"We have decided we have to play and we are going to play. We have to adapt as players and as a team and we are going to do that as quick as possible."

It's also a special night for former City No2 Mikel Arteta who brings his Gunners to the Etihad. He's looking forward to going head-to-head with his mentor Guardiola.

Arteta said: "He was an influence for me since I was 15 years old and we met at Barcelona, both as players.

"If I have to talk about the person he is, his values, the way he has treated me and how he deals with the players and the staff around him, it's phenomenal. As a coach, I learned so much from him."

The feeling is mutual with Pep saying: "I'm so excited to see him, one of the nicest people I ever met. It was a joy for me and for all of us to work with him.

"He's happy there and doing an incredible job. he was an important part of our success, he helped us to be who are."
